DETAILED ACTION

The following is an examiner's statement of reasons for allowance: because the instant claims are in fact non-obvious because they are not fairly suggested by the evidence of record, considered in its entirety. The prior art fails to provide direction for using fast release opioid agonist in the instantly claimed dosage forms. Next, applicant has unexpectedly discovered that using the instant fast-releasing dosage forms instead provides a reduction in undesired side effects, See page 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shirley V. Gembah whose telephone number is 571-272-8504. The examiner can normally be reached on 8:30 -5:00, Monday- Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Low can be reached on 571-272-0951. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
